Prologue™ Vanities

Prologue™ is a perfect preamble to a Bauhaus inspired environment. Individual pieces pared down to their essentials, extending lines and seamless surfaces to accentuate the sculptural geometry and purity of each object. Eliminating ornamentation and purely decorative elements prologue draws on minimalism and essentialism.

EXPRESS YOUR STYLE

The rich tones of Kohler® Vanities capture a luxurious interplay of lineage and modernity, blending seamlessly with a host of ambiences and lifestyles.

Luxe Vanities

The inspiration behind the iconic Luxe design lies in the harmonious lines inspired by the sail of a boat. Luxe's profiles draw the eye to the edge creating an elegant marriage between geometric precision and tensioned surfaces.

ELEVATE YOUR OASIS

The vivid tones of Luxe vanities resonate equally with passion and refinement, adding a layer of versatile finesse to any décor or occasion.

Terrace™

Modernity is timeless

The best designs never fade away with time. That's what defines a classic. In Terrace®, time honoured forms bond with innovative technology, making this an ideal collection for the modern home. Thanks to a unique advancement in the waste system, the L-shape of the vanity top offers a functional design element as well as artful architectural detail. Coordinated with elegant, roomy cabinets, Terrace® brings bold design to life. For now. Forever.

The home should
be the treasure chest
of living.

Le Corbusier

The design exploration that led us to the Terrace bathroom sink stemmed from a series of insights we uncovered during extensive research surrounding modern styling spaces and today's evolving grooming rituals.

Terrace[™] Collection

A perfect blend of form and imagination. The contemporary clean lines for Terrace[™] is a veritable work of art, with its trademark L-shape redefining luxury of form. The range also features cutting-edge technology, with the patented free drain system being one of the key features of the Terrace[™] collection.

A photograph of a Kohler Forefront bathtub in a bathroom. The bathtub is white with a dark wood-grain finish on the exterior. It is positioned in front of a wall with white wainscoting and two windows with white frames. A chrome faucet and showerhead are attached to the side of the tub. To the left, there is a vase with pink flowers and a white fireplace mantel with a candle. The floor is made of light-colored wood planks.

Forefront™

Nature is inside

Make room for all that's good outside. With Forefront™. Crafted in wood textures and mellow finishes, the range combines these with sculpted and flowing lines for a harmonious interplay between nature and design. Featuring clean edges and rounded corners, the Kohler® Forefront™ basin pairs beautifully with contemporary vanities to breathe new life into your bathroom with natural simplicity. Just how the world was meant to be.

Simplify then add
lightness.

Colin Chapman

Through conversations with our architect and design partners we discovered a particular need for a design suite that felt equally contemporary and approachable.
